

Family Violence Multi-Agency Risk Assessment & Management Training Approach

Family Violence Multi-Agency Risk Assessment and Management Framework (MARAM) training will be available for all Phase One prescribed organisations and professionals in Victoria in 2019. The training delivery approach is multi-pronged to ensure far reach of the most applicable training for prescribed professionals. The modules will focus on risk assessment and management and how to embed MARAM into organisational processes.

Training opportunities

Family Violence Foundational Knowledge e-learn

Family Violence and Child Information Sharing Schemes with an introduction to MARAM

The MARAM training complements the Information Sharing and Introduction to MARAM training modules which provide information about the reforms, when to use FVISS and CISS and how the information sharing schemes and MARAM work together

To be completed by Phase 1 workforce representatives and organisational policy and leadership learners (as relevant)

Organisational policy and leadership learners to complete

MARAM Risk Identification and Screening (1 Day)

For all workers who may identify family violence is occurring and who engage with people in a one-off, episodic or ongoing service environment and are in a position to identify or screen for family violence.

MARAM Brief and Intermediate (1 Day)

For workers whose purpose of intervention is linked to family violence but not directly focused on family violence. Staff who engage with people in crisis situations, or at high risk of experiencing or using family violence. These tools are used if family violence has been confirmed either through screening or disclosure. Purpose of intervention is associated with family violence risk but not focused on this alone.

MARAM Comprehensive Family Violence Risk Assessment and Management (1 Day - Enhanced)

For experienced workers who have previously completed specialist CRAF (level 3). Staff who engage with victim survivors and perpetrators of family violence in a specialist capacity. Purpose of intervention is directly related to increasing victim survivor safety or addressing perpetrator risk.

MARAM Comprehensive Family Violence Risk Assessment and Management (2 Days- New Workers)

For new specialist family violence workers or those who have not completed specialist CRAF. Staff who engage with victim survivors and perpetrators of family violence in a specialist capacity. Purpose of intervention is directly related to increasing victim survivor safety or addressing perpetrator risk.

MARAM Leading Alignment (4 hours)

For policy personnel and organisational managers to understand what is required under the MARAM Framework to demonstrate organisational alignment.
